## AGM COMING UP

The third Raising Dust AGM is coming up soon! Forget the boring "sitting around a table" style meeting. No, no no! In true Raising Dust style, our AGM will be a wine, beer and cheese tasting at Seppelt, Great Western with the formalities thrown in there somewhere!

It will be a great event with plenty of opportunities to catch up with friends you've already met through RDi and meet new people but it's also a really important day for setting the future direction of our group. We're always looking for new people to join our committees so if you're interested, give Kel a call on 0439 722 985 for more details.

Everyone is welcome to come along to the AGM and we look forward to seeing plenty of new faces there. Whether you're interested in joining the committee or just want to hear about what we've been up to and what we've got planned for the next 12 months, come along and enjoy a relaxed Saturday arvo with great wine and cheese and most importantly, great company!

## DUST FINALISTS IN AWARDS

We were recently notified that Raising Dust Inc. has been chosen as a finalist in the Community of the Year (Population under 5000) Regional Achievement and Community Awards. Some of our committee will attend the Gala Awards night in Ballarat on October 10th, hopefully to bring home the gong! Without all our members, Raising Dust would not be the success it is so thanks to everyone for their ongoing support.

## DUNKELD RACES

We'll be having a marquee at the Dunkeld Races once again this year. Come along and enjoy a great day out- put on that glam race day outfit, have a flutter and who knows, maybe even watch a race! More details about the location of our marquee on the day will be circulated soon so watch this space.

## WHAT NEXT?

We always welcome your ideas for upcoming Raising Dust events and we'd love to hear what you've got in mind for the future. Ideas currently being thrown around for the next twelve months include a trivia night, life planning forums and twilight bowls. We need to come up with an idea for our big event for 2010 so we'd appreciate your thoughts. Our ball is every second year so it needs to be something a bit different- e.g- in 2008 we had our Murder Mystery Night. Got an idea? Get in touch with us by e-mailing the address below.
