The 2009 Raising Dust Committee

2009 Committee Exec.

President:	Kelly Gibson
Vice President:	Jo Marsh
Treasurer:	Jessica Cass
Secretary:	Sheree Crawford

Sub-Committee Chairs:

Finance:	Jessica Cass
Events:	Ben Jackson
Communications:	Amy Rhodes

EXCITING TIMES AHEAD IN 2009

The new committee has been working away on the calendar of events for 2009.

We will be running educational forums on health and fitness and life planning to provide our members with a fun way to get around to some of those bits and pieces we sometimes push to the side. The forums promise to have something for everyone!

In a first for RDi, we'll be running a footy trip on May 31st. This promises to be a great day so get some mates together, jump on the bus and come and enjoy our great Aussie game. Most excitingly, our second Raising Dust ball will be held in July this year. We are still confirming dates but aiming for the 4th of July with an Independence Day theme. Stay tuned for more details soon!

Babies and Weddings

Congratulations to Marc and Emma on the safe arrival of Angus in September 2008. Our best wishes of love and happiness to Emily and Nick following their wedding late last year.

Many a keen golfer turned out for our golf day in February

GOLF DAY A SUCCESS

Much fun was had by all the would-be golfers who turned out to our Golf Day in February.

A crowd of around 20 enjoyed a great day on the course with members of the Stawell Golf Club on hand to boost up the skill level as we enjoyed nine holes of Ambrose style golf. The day was taken out by our treasurer's team- Jess, Andrew, Damien and golfing handyman, Bernie.

AWARDS FOR RDI

Raising Dust has received two awards recently, recognising the hard work we're putting into expanding rural networks. RDi was a semi-finalist in the Regional Young Achievers awards in 2008- a great achievement for a group still in it's early days. The committee was then selected as the Young Citizens of the Year in the Northern Grampians Shire Council Australia Day awards. None of this would be possible without your support so keep it coming!

RDi Committee:
Northern Grampians Shire Young Citizens of the Year!

A fun day was had by all at the Dunkeld races in November
